

## Potential Profile

- Age
- Name
- Where from
- Phone number
- Location on campus
- Email
- Select how to filter
- Up to date
- Remove paper copies

## Weekly Info

### Sign ups

- Sign up in the admin building
- Telling director
- Seeing other residents that have signed up
- Tied to weekly info
- Sign ups for tickets/ no tickets for Brooks center

Still a lot of paper and calendar stuff being written

### Transportation

- Phone number to call
- Shuttle schedule that changes/updates
- Getting someone on campus to drive/personal friend

### Common numbers

- Maintenance auto button to leave a message/call

### Audio aspect of it

- Some people will have reservations, need to still have physical number call

### Meal delivery

- Call number, get food delivered
- Menu on info section
- Menu shows up on paper/tv channel 2
- Some info not shown up, deserts specifically
- Also a grill, menu of its own

- Some people have food allergies/special needs, voice their concerns
- Section of dining area that is salt free (a lot of concern about the salt concentration, health concerns)

#### Resident to resident

- Communicate streamlined between people, lunchmates, instead of having to meet up or phone call/email

#### Location for Kiosks

- Admin building, every building has a lobby, mail area
- Common areas for each building
- Floor and building, each floor has two laundry areas
- Laundry notifications in kiosk, occupancy
- Waste room, with each person has your own drum, collects daily
- Sign up for routine cleaning, pay for it, and optionally laundry
- Call manager/person in charge for each individual optional service
- Potentially useful to include in that, a lot of people do not know about it
- Rules and other orientation info that people often miss
- Handouts? Responsible to the hall manager
- Still allow a paper copy to be printed from it if chosen
